

## Solflak Seat

Design Veronika Borg

Sunbed provides a comfortable seat where bright colours can be enjoyed on even the gloomiest days. The smooth fiberglass surface creates a comfortable and cosy outdoor seat. The sides taper downwards to enable water to run off efficiently. Sunbed's striking profile makes it an attractive feature in city parks, indoor courtyards, beachfront and waterside areas.

CERTIFICATION

#### Dimensions and weight

Height: 50,5 cm  
 Sitting height: 50,5 cm  
 Depth: Ø200 cm  
 Ø200 cm Ø350 cm Height: 50.5

#### Product numbers and combinations

U12-04/2000G Solflak  
 B11-10 Startkostnad för byte av glasfibers färg  
 Append to product number  
 INSTALLATION TYPE  
 N for surface mount.
