ABC Planter

Design Broberg & Ridderstråle

The ABC set of planters provides a versatile system for outdoor terraces. The units can function as individual planters, combine with each other to divide space, or create a decorative feature. Whether placed individually or grouped to form a cluster, the planters add a sculptural element to any environment. The ABC planters are for use indoors and outside, and are well-suited to any space where minimalist design places a central role.

CERTIFICATION

Dimensions and weight

Height: A 30 cm / B 50cm / C 85,5cm
 Diameter A: Ø topp 83,5 cm, Ø bas 40 cm
 Diameter B: Ø topp: 70 cm, Ø bas 40 cm
 Diameter C: Ø topp 63,5 cm, Ø bas 40 cm
 Weight: Vikter A 25 kg / B 31 kg / C 50 kg

Product numbers and combinations

Ö14-18 Planter A, cast untreated aluminium
 Ö14-19 Planter B, cast untreated aluminium
 Ö14-20 Planter C, cast untreated aluminium
 Ö14-ABC Threaded rod for ABC planters, one rod per connection.
 B11-06 Startup cost for powder coating steel in a color other than standard.
 Choose a RAL colour.

Append to product number

METAL SURFACE FINISH

A for powder coated in anthracite Gris 2900 Sablé
 B for black Noir 2200 Sablé.
 C for any color on steel, at an additional cost.

VARIANTS

Add 1 connecting rod/thread rod for the places where open shapes meet each other. See assembly description. Ask Nola if you are unsure of the number.

INSTALLATION TYPE

N for surface mount.

Standard colours

 Gris 2900 Sablé
 Noir 2200 Sablé

Materials and surface treatments

The planters are made in sand-cast aluminium powder-coated in standard colours Gris 900 Sablé (anthracite) or alternatively black Noir 200 Sablé.

Recycled sand cast aluminium

Aluminium recycled from scrap, hand cast in sand moulds. The energy consumption when producing recycled aluminium is about 5% of that used when producing virgin aluminium.

Powder coating

Powder coating is a coating that is applied as a free-flowing, dry powder. Unlike conventional liquid paint, powder coating is usually applied electrostatically and then cured under heat or with ultraviolet light. The result is an even, hard-wearing coloured surface with the desired gloss level.

Assembly and placement

Freestanding

Freestanding product that is placed directly on the ground.

Surface mount

Can be bolted above ground, to the floor or to a cast-in-place foundation. Bolts not included.

Freestanding. The planters can stand on detachable, adjustable feet, or be bolted to the surface. The base of each planter has the same measurements, making it easy to mount them together if required. When several are positioned together they can be attached by an extended M10 bolt.

OBS! Ska nedersta krukan i en formation inte ha hål för vattenavrinning, tala om det vid order!

Maintenance

Completely untreated aluminum acquires a gray patina after some time outside, reminiscent of concrete.

Sand cast aluminium

Maintenance on aluminium is not normally needed, but make sure to wash and keep the material clean. Untreated aluminium develops a matte surface over time.

Powder coated Aluminium

Products that are powder-coated can be touch-up painted with alkyd paint if necessary.

Versions

The set includes three units, each in a different shape and size. Each can be purchased individually or all three can be combined to form a complete set.

Character

This striking set of planters can be used individually or arranged in clusters to divide space or create a border.

Designers

Broberg & Ridderstråle

Stockholm based Broberg & Ridderstråle Design & Architecture is founded and run by Mats Broberg and Johan Ridderstråle. The duo met at the University College of Arts, Crafts and Design (Konstfack) where they both studied furniture and interior design. Today they work within the fields of architecture and design. Their design method is based on the traditional craft, where they often gather inspiration from their daily lives only to then add a new twist to the design that lifts the product to a new level. Broberg & Ridderstråle have throughout the years designed numerous products and furniture series for Nola.
