Alba Aurora Bench, Table

Design Bellitalia

The Alba bench combines seamlessly with the Aurora table, both crafted in smooth concrete with polished or brushed finishes. Both shapes are monolithic and designed with a gentle convexity that allows water to swiftly drain from the surface. Together, Alba and Aurora form a light and elegant furniture ensemble with a graceful design that can catch the eye in one location and seamlessly harmonize with another.

Dimensions and weight

Alba bench: Length: 1990 mm Width: 540 mm Height: 450 mm Weight: 230 Kg

Aurora table: Length: 2250 mm Width: 900 mm Height: 750 mm Weight: 479 kg
