## **Korg – New Product! Bar Stool and Table**

**Design Thomas Bernstrand**

The newest addition to the Korg series is the Bar stool and high table, further completing the collection. Sitting at a higher level is increasingly requested in public and outdoor spaces, often suited for work, social gatherings, or events. With this high-seating option, the entire Korg series can be incorporated to create a streamlined and cohesive design, adding both functionality and a confident sense of style.

#### Dimensions and weight

#### Korg Bar Stool

Width: 52 cm  
 Height: 98 cm  
 Sitting height: 75 cm  
 Depth: 52 cm  
 Weight 15 kg

#### Korg Bar Table

Height: 105 cm  
 Ø: 70 cm  
 Weight 20 kg

#### Product numbers and combinations

U12-33 Korg Bar Stool  
 U12-34/BAR Korg Bar Table

#### Append to product number

#### METAL SURFACE FINISH

When ordering, specify which of our standard colors you want:

- Dark blue/Grey RAL 5008, fine texture.
- Black Noir 2200 Sablé, fine texture.
- Red/Orange RAL 2002 (matt clear coat), fine structure.
- C for any color other than standard, at additional cost.

#### INSTALLATION TYPE

N for surface mount.

#### Standard colours

- RAL 2002
- RAL 5008
- Noir 2200 Sablé

#### Materials and surface treatments

#### Steel

Nola uses high-quality steel with good strength in our products. Steel rusts if left untreated and must therefore be surface treated.

### **Electrogalvanized**

Electrogalvanizing (also known as zinc plating) provides corrosion protection through the sacrifice of zinc ions. It is created via a zinc coating on the steel using an electric current.

### **Powder coating**

Powder coating is a coating that is applied as a free-flowing, dry powder. Unlike conventional liquid paint, powder coating is usually applied electrostatically and then cured under heat or with ultraviolet light. The result is an even, hard-wearing coloured surface with the desired gloss level.

### **Assembly and placement**

#### **Surface mount**

Can be bolted above ground, to the floor or to a cast-in-place foundation. Bolts not included.

### **Maintenance**

#### **Powdercoated steel**

Products that are powder-coated can be touch-up painted with alkyd paint.
