## Maza Seat

Design Ove Jonsson & Olle Anderson

Maza is a uniquely versatile public space design. It is a stand-alone seating island that doubles as a means of dividing space. The seat is slightly higher than standard benches, making it comfortable to lean against. Maza is suitable for indoor and outdoor environments, making it a popular choice for multi-purpose spaces such as shopping centres, schools, urban parks and central courtyards.

### FEATURES

-  Suitable for preschools and playgrounds

<b>Dimensions and weight</b>	<p>Sitting height: 60 cm</p> <p>Ø: 130 cm</p> <p>Weight 55 kg</p> <p>Diameter base: 100 cm</p> <p>Height legs: 7 cm</p>
