Custom made seating furniture for Gävle Seating Furniture

Design AJ Landskap & Thomas Bernstrand

Nola var inbjuden att utforma torget i Gävle tillsammans med arkitektbyrån Andersson & Jönson. Tanken med möbleringen av torget är att man ska kunna sitta på olika sätt. De specialritade möblerna formgavs av Thomas Bernstrand i samarbete med arkitekt Stina Elösson och Nola. Generösa sittplatser kännetecknar miljön, med lutande säten och fällbara ryggstöd. Vissa platser har utformats med konventionella ryggstöd för dem som vill sitta upprätt, medan andra gjordes utifrån barns perspektiv. Former och storlekar varierades för att skapa en dynamik men som grupp är möblerna enhetliga i form och material.
