Wimbledon Table

Design Broberg & Ridderstråle

The Wimbledon furniture group includes dining chairs, barstools, club chairs and an assortment of café tables. Each design was created through the combination of simple geometric shapes, clean curves, soft angles and subtle styling. Each table is reinforced by a shelf-like surface underneath the tabletop that combines storage and stability in a single expression.

CERTIFICATION

Dimensions and weight

Round table

Height: 72 cm.

Diameter of tabletop: Ø 116,5 cm.

Square table

Höjd: 72 cm.

Length of tabletop: 80 cm.

Width of tabletop: 80 cm.

Café table

Höjd: 44 cm.

Length of tabletop: 40 cm.

Width of tabletop: 40 cm.

Individual dimensions

Table top of steel in 3 mm sheet steel.

Frame in pipe steel 16 x 1.5 mm.

Seat and back in 3 mm steel wire.

Product numbers and combinations

U11-63 Wimbledon table, large square version

LB for light blue RAL 5024.

C for any color other than standard, starting cost is added.

Standard colours

Materials and surface treatments

Tärnsjö läder.

Carrara Marble white.

Målad MDF.

Steel

Nola uses high-quality steel with good strength in our products. Steel rusts if left untreated and must therefore be surface treated.

Electrogalvanized

Electrogalvanizing (also known as zinc plating) provides corrosion protection through the sacrifice of zinc ions. It is created via a zinc coating on the steel using an electric current.

Powder coating

Powder coating is a coating that is applied as a free-flowing, dry powder. Unlike conventional liquid paint, powder coating is usually applied electrostatically and then cured under heat or with ultraviolet light. The result is an even, hard-wearing coloured surface with the desired gloss level.

Assembly and placement

Freestanding

Freestanding product that is placed directly on the ground.

Fully assembled

Maintenance

Powdercoated steel

Products that are powder-coated can be touch-up painted with alkyd paint.

[Read more in our general maintenance advice at nola.se/en/care-and-maintenance](https://nola.se/en/care-and-maintenance)

Versions

The table is available in a squared, round or smaller version.

Available in standard colors black, white, red and light blue. Table tops in 3 mm sheet steel, marble or painted MDF.

Designers

Broberg & Ridderstråle

Stockholm based Broberg & Ridderstråle Design & Architecture is founded and run by Mats Broberg and Johan Ridderstråle. The duo met at the University College of Arts, Crafts and Design (Konstfack) where they both studied furniture and interior design. Today they work within the fields of architecture and design. Their design method is based on the traditional craft, where they often gather inspiration from their daily lives only to then add a new twist to the design that lifts the product to a new level. Broberg & Ridderstråle have throughout the years designed numerous products and furniture series for Nola.
